Fundraising for ANUK

Target: £4,500 by March 2015

Help Aniridia Network UK (ANUK) meet its fundraising target and continue to provide support to our members. Here are some ideas on how you can help raise money.

- Participating in sponsored fundraising events on behalf of ANUK is a great way to raise money. Examples of these are:
 - Run a half marathon
 - Do a bike ride
 - Complete a triathlon or a toddle
- Collections on your High Street, at events or at work are very effective, so give it a go.
- Cake sales, raffles, car boot sales and other events can be fun as well as good fundraisers.
- Online shopping is the easiest way to raise money without costing you anything extra. Register with our partner Give As You Live and download their toolbar. Merchants who are part of Give As You Live will donate a commission to ANUK for every online purchase you make from them. Look for the logo and help us out for nothing!
- Gift Aid – if you pay tax complete our Gift Aid form which allows us to receive an additional 25% from the government on each of your donations.
- Do let us know if you are fundraising for ANUK. We can provide you with a fundraising pack and support your event.
