Evening Event

6:00 – 8:30 Socialising at The County Hotel Bar

The Aniridia Network UK Trustees and anyone who wishes to join will gather at the conference hotel's bar for an evening of socialising. It has food that can be purchased for those who fancy a bite. The County Hotel bar also does exotic cocktails.

If you want to come along in the evening but are worried about getting back to Newcastle Central station for your trip home, just let an ANUK team member know when you're ready to leave and one of us will help you to the station.
